## Offender Solutions® Classes

Offender Solutions® has created the blue print for working with offenders. We have a strong theoretical foundation using the most effective intervention – cognitive restructuring.

Offender Solutions® Inc. is an evidence based home study program for offenders. We believe that people are individually responsible for their own behaviors; however we also believe that often times offenders make these choices based on misconceptions and/or inadequate information. We at Offender Solutions® Inc. deal with the issues from the offender's point of view. We are an outcome oriented program that is trusted, reliable, and self-paced.

We offer you two solutions to utilize with all of your offenders:

**Online programs**

Or

**Correspondence Courses**

### *Option 1: Online Courses*

*We serve clients day or night. Our classes are available seven days a week, 24 hours a day. We have eliminated transportation barriers, and clients can complete, working around their employment schedule or daycare issues.*

*Our Online program is accessible from any computer which has internet ability. To access the program the client will go to [www.offendersolutions.com](http://www.offendersolutions.com) where they will create a unique username & password giving them the ability to sign in/out as many times as they would like 24/7.*

### *Option 2: (Workbook)*

#### *Correspondence Course*

*The Correspondence course is a workbook that clients work through. Clients use postal mail to return their test answers to their assigned counselor. This class is appropriate for those who do not have access to a computer or internet connection.*
